

I am sending this newsletter out a few days early because my wife and I are off to New Wine. It is a very special place for us to go and be spiritually refuelled. We have been going for many, many years as our family holiday and always come away from it filled and also fresh with ideas and enthusiasm for living as a community.

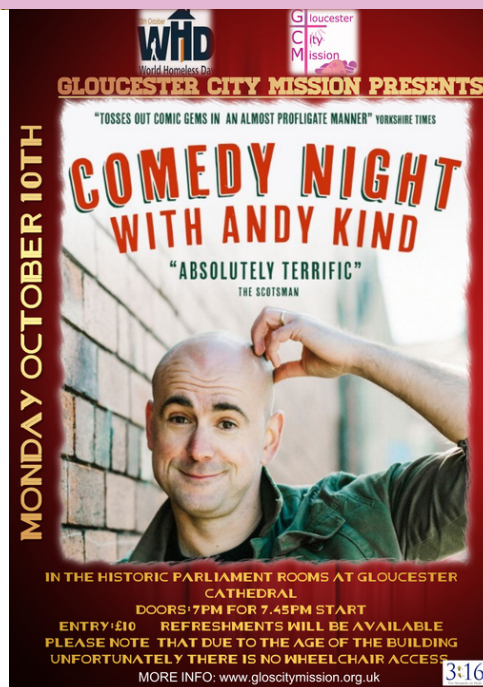

In lots of ways that is what GCM is, it's our own community/family where we support those who use our services in whatever ways we can. It can be a chaotic community but it is also a community filled with love, compassion, empathy, kindness and care. Even now it surprises me how the community stick together, you only have to come to a Wednesday lunch and see the different groups of people sitting at tables chatting and sharing experiences. Honestly our clients are some of the kindest and most generous people you come across. (Don't get me wrong, they can also be incredibly stubborn, noisy and disruptive just like any other family too), but we love working with them.

In August all of the staff have been invited to the wedding of two of our clients, Jen and Nick. To see how the two of them have blossomed during these past few months with their wedding planning has been amazing and we look forward to sharing their day with them. Our financial year runs from July to June each year so on the next page you will find data from this past year of our work and ministry. It has been another year of growth and change for us but we continue to be blessed and we continue to make sure that we are following God's plan rather than our own although this does make strategic planning and budgeting rather tricky sometimes :)

Kevin Howie, General Manager

We celebrated our 19th Anniversary on July 1st. Mike Curtis kindly brought in a cake and a blessing which we took out on outreach that day.
